# **CONSTITUTION AND BYLAWS OF THE MONTANA DISTRICT COUNCIL OF THE ASSEMBLIES OF GOD, INC.**

As adopted September 9, 1936 and including all revisions to 2013.

## **HISTORY**

In a meeting April 21, 1936, at Great Falls, a resolution was passed calling for the organization of the Montana District Council of the Assemblies of God. The North Central District Council in session June 24, 1936, ratified this action. Presbyters of the Northwest District Council in regular session July 1, 1936, granted a petition from eastern Montana ministers that western Montana ministers and churches be given permission to withdraw from the Northwest District to form the new Montana District Council. The western Montana brethren, in session August 6, 1936, at Missoula, accepted the invitation of the eastern Montana brethren to form the new district. The action was consummated September 8, 1936 at Roundup.

## **WE BELIEVE**

That God's purpose concerning man's fulfillment is a priority reason-for-being; 1) to be an agency of God for evangelizing the world, 2) to be a corporate body in which man may worship God, and 3) to be a channel of God's purpose to build a body of saints being perfected in the image of His son.

That the Montana District Council of the Assemblies of God exists expressly to give continuing emphasis to this reason-for-being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit, which enables them to evangelize in the power of the Spirit with accompanying supernatural signs, adding a necessary dimension to worshipful relationship with God, and enabling them to respond to the full working of the Holy Spirit in expression on fruit and gifts and ministries as in New Testament times for the edifying of the body of Christ.

Therefore we recognize ourselves to be a cooperative fellowship of Pentecostal, Spirit-baptized saints from local Pentecostal Assemblies of like precious faith in the Montana District of the General Council of the Assemblies of God, hereinafter called "General Council," Whose purpose is neither to usurp authority over the various local assemblies, nor to deprive them of their scriptural and local rights and privileges; but to recognize and promote scriptural methods and order for worship, unity, fellowship, work, and business for God so that results of our efforts may be conserved and assemblies established and developed along the line of our distinctive testimony; and to disapprove unscriptural methods, doctrines, and conduct, *"endeavoring to keep the unity of the Spirit in the bond of peace...till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ"* (Ephesians 4:3, 4:13)

# **CONSTITUTION**

## **ARTICLE I. NAME**

(See Article 1 - General Council Constitution)

As nearly as possible, the district shall seek to represent the body of Christ as described in the New Testament Scriptures, recognizing the principles inherent in that body as also inherent in this Fellowship, particularly the principles of unity, fellowship, cooperation, and equality. (Resolution 9/11) It recognizes that adherence to those principles will enable it to achieve its priority reason-for-being, and to maintain conditions under which it can, as a Fellowship, demonstrate those principles and their consequent development.

## **ARTICLE V. TENETS OF FAITH**

This District Council adopts the Statement of Fundamental Truths currently adopted by the General Council (Resolution 10/11):

The Bible is our all-sufficient rule for faith and practice. This Statement of Fundamental Truths is intended simply as a basis of fellowship among us (i.e., that we all speak the same thing, 1 Corinthians 1:10; Acts 2:42). The phraseology employed in this statement is not inspired or contended for, but the truth set forth is held to be essential to a full-gospel ministry. No claim is made that it contains all biblical truth, only that it covers our need as to these fundamental doctrines.

### **1. The Scriptures Inspired**

The Scriptures, both the Old and New Testaments, are verbally inspired of God and are the revelation of God to man, the infallible, authoritative rule of faith and conduct (2 Timothy 3:15-17; 1 Thessalonians 2:13; 2 Peter 1:21).

### **2. The One True God**

The one true God has revealed himself as the eternally self-existent "I AM," the Creator of heaven and earth and the Redeemer of mankind. He has further revealed himself as embodying the principles of relationship and association as Father, Son, and Holy Spirit (Deuteronomy 6:4; Isaiah 43:10, 11; Matthew 28:19; Luke 3:22).

## THE ADORABLE GODHEAD

### (a) Terms Defined

The terms *trinity* and *persons*, as related to the godhead, while not found in the Scriptures, are words in harmony with Scripture, whereby we may convey to others our immediate understanding of the doctrine of Christ respecting the Being of God, as distinguished from "gods many and lords many." We therefore may speak with propriety of the Lord our God, who is One Lord, as a Trinity or as one Being of three persons, and still be absolutely scriptural (examples, Matthew 28:19; 2 Corinthians 13:14; John 14:16,17).

### (b) Distinction and Relationship in the Godhead

Christ taught a distinction of persons in the godhead which He expressed in specific terms of relationship, as Father, Son, and Holy Spirit, but that this distinction and relationship, as to its mode is inscrutable and incomprehensible, because unexplained (Luke 1:35; 1 Corinthians 1:24; Matthew 11:25-27; 28:19; 2 Corinthians 13:14; 1 John 1:3,4).

### (c) Unity of the One Being of Father, Son, and Holy Spirit

Accordingly, therefore, there is that in the Father which constitutes Him the Father and not the Son; there is that in the Son which constitutes Him the Son and not the Father; and there is that in the Holy Spirit which constitutes Him the Holy Spirit and not either the Father or the Son. Wherefore, the Father is the Begetter; the Son is the Begotten; and the Holy Spirit is the One proceeding from the Father and the Son. Therefore, because these three persons in the godhead are in a state of unity, there is but one Lord God Almighty and His name one (John 1:18; 15:26; 17:11, 21; Zechariah 14:9).

### (d) Identity and Cooperation in the Godhead

The Father, the Son, and the Holy Spirit are never identical as to person; nor confused as to relation; nor divided in respect to the godhead; nor opposed as to cooperation. The Son is in the Father and the Father is in the Son as to relationship. The Son is with the Father and the Father is with the Son, as to fellowship. The Father is not from the Son, but the Son is from the Father, as to authority. The Holy Spirit is from the Father and the Son proceeding, as to nature, relationship, cooperation, and authority. Hence, no person in the godhead either exists or works separately or independently of the others (John 5:17-30, 32, 37; 8:17, 18).

### (e) The Title, Lord Jesus Christ

The appellation *Lord Jesus Christ* is a proper name. It is never applied in the New Testament either to the Father or to the Holy Spirit. It therefore belongs exclusively to the Son of God (Romans 1:1-3, 7; 2 John 3).

### (f) The Lord Jesus Christ, God With Us

The Lord Jesus Christ, as to His divine and eternal nature, is the proper and only Begotten of the Father, but as to His human nature, He is the proper Son of Man. He is, therefore, acknowledged to be both God and man; who because He is God and man, is "Immanuel," God with us (Matthew 1:23; 1 John 4:2, 10, 14; Revelation 1:13, 17).

(g) The Title, Son of God

Since the name *Immanuel* embraces both God and man, in the one person, our Lord Jesus Christ, it follows that the title *Son of God* describes His proper deity, and the title *Son of Man*, His proper humanity. Therefore, the title *Son of God* belongs to the order of eternity, and the title *Son of Man* to the order of time (Matthew 1:21-23; 2 John 3; 1 John 3:8; Hebrews 7:3; 1:1-13).

(h) Transgression of the Doctrine of Christ

Wherefore, it is a transgression of the doctrine of Christ to say that Jesus Christ derived the title *Son of God* solely from the fact of the Incarnation, or because of His relation to the economy of redemption. Therefore, to deny that the Father is a real and eternal Father, and that the Son is a real and eternal Son, is a denial of the distinction and relationship in the Being of God; a denial of the Father and the Son; and a displacement of the truth that Jesus Christ is come in the flesh (2 John 9; John 1:1,2,14,18,29,49; 1 John 2:22,23; 4:1-5; Hebrews 12:2).

(i) Exaltation of Jesus Christ as Lord

The Son of God, our Lord Jesus Christ, having by himself purged our sins, sat down on the right hand of the Majesty on high, angels and principalities and powers having been made subject unto Him. And having been made both Lord and Christ, He sent the Holy Spirit that we, in the name of Jesus, might bow our knees and confess that Jesus Christ is Lord to the glory of God the Father until the end, when the Son shall become subject to the Father that God may be all in all (Hebrews 1:3; 1 Peter 3:22; Acts 2:32-36; Romans 14:11; 1 Corinthians 15:24-28).

(j) Equal Honor to the Father and to the Son

Wherefore, since the Father has delivered all judgment unto the Son, it is not only the express duty of all in heaven and on earth to bow the knee, but it is an unspeakable joy in the Holy Spirit to ascribe unto the Son all the attributes of deity, and to give Him all the honor and the glory contained in all the names and titles of the godhead except those which express relationship (see paragraphs b, c, and d), and thus honor the Son even as we honor the Father (John 5:22,23; 1 Peter 1:8; Revelation 5:6-14; Philippians 2:8,9; Revelation 7:9,10; 4:8-11).

**3. The Deity of the Lord Jesus Christ**

The Lord Jesus Christ is the eternal Son of God. The Scriptures declare:

- a. His virgin birth (Matthew 1:23; Luke 1:31,35).
- b. His sinless life (Hebrews 7:26; 1 Peter 2:22).
- c. His miracles (Acts 2:22; 10:38).
- d. His substitutionary work on the cross (1 Corinthians 15:3; 2 Corinthians 5:21).
- e. His bodily resurrection from the dead (Matthew 28:6; Luke 24:39; 1 Corinthians 15:4).
- f. His exaltation to the right hand of God (Acts 1:9,11; 2:33; Philippians 2:9-11; Hebrews 1:3).

**4. The Fall of Man**

Man was created good and upright; for God said, "Let us make man in our image, after our likeness." However, man by voluntary transgression fell and thereby incurred not only physical death but also spiritual death, which is separation from God (Genesis 1:26, 27; 2:17; 3:6; Romans 5:12-19).

## 5. **The Salvation of Man**

Man's only hope of redemption is through the shed blood of Jesus Christ the Son of God.

- a. **Conditions to Salvation.** Salvation is received through repentance toward God and faith toward the Lord Jesus Christ. By the washing of regeneration and renewing of the Holy Spirit being justified by grace through faith, man becomes an heir of God according to the hope of eternal life (Luke 24:47; John 3:3; Romans 10:13-15; Ephesians 2:8; Titus 2:11; 3:5-7).
- b. **The Evidences of Salvation.** The inward evidence of salvation is the direct witness of the Spirit (Romans 8:16). The outward evidence to all men is a life of righteousness and true holiness (Ephesians 4:24; Titus 2:12).

## 6. **The Ordinances of the Church**

- a. **Baptism in Water.** The ordinance of baptism by immersion is commanded in the Scriptures. All who repent and believe on Christ as Savior and Lord are to be baptized. Thus they declare to the world that they have died with Christ and that they also have been raised with Him to walk in newness of life (Matthew 28:19; Mark 16:16; Acts 10:47, 48; Romans 6:4).
- b. **Holy Communion.** The Lord's Supper, consisting of the elements—bread and the fruit of the vine—is the symbol expressing our sharing the divine nature of our Lord Jesus Christ (2 Peter 1:4); a memorial of His suffering and death (1 Corinthians 11:26); and a prophecy of His second coming (1 Corinthians 11:26); and is enjoined on all believers "till He come!"

## 7. **The Baptism in the Holy Spirit**

All believers are entitled to and should ardently expect and earnestly seek the promise of the Father, the baptism in the Holy Spirit and fire, according to the command of our Lord Jesus Christ. This was the normal experience of all in the early Christian church. With it comes the endowment of power for life and service, the bestowment of the gifts and their uses in the work of the ministry (Luke 24:49; Acts 1:4, 8; 1 Corinthians 12:1-31). This experience is distinct from and subsequent to the experience of the new birth (Acts 8:12-17; 10:44-46; 11:14-16; 15:7-9). With the baptism in the Holy Spirit come such experiences as an overflowing fullness of the Spirit (John 7:37-39; Acts 4:8), a deepened reverence for God (Acts 2:43; Hebrews 12:28), an intensified consecration to God and dedication to His work (Acts 2:42), and a more active love for Christ, for His Word, and for the lost (Mark 16:20).

## 8. **The Initial Physical Evidence of the Baptism in the Holy Spirit**

The baptism of believers in the Holy Spirit is witnessed by the initial physical sign of speaking with other tongues as the Spirit of God gives them utterance (Acts 2:4). The speaking in tongues in this instance is the same in essence as the gift of tongues (1 Corinthians 12:4-10,28), but different in purpose and use.

## 9. **Sanctification**

Sanctification is an act of separation from that which is evil, and of dedication unto God (Romans 12:1,2; 1 Thessalonians 5:23; Hebrews 13:12). Scriptures teach a life of "holiness without which no man shall see the Lord" (Hebrews 12:14). By the power of the Holy Spirit we are able to obey the command: "Be ye holy, for I am holy" (1 Peter 1:15,16).

Sanctification is realized in the believer by recognizing his identification with Christ in His death and resurrection, and by faith reckoning daily upon the fact of that union, and by offering every faculty continually to the dominion of the Holy Spirit (Romans 6:1-11,13; 8:1,2,13; Galatians 2:20; Philippians 2:12,13; 1 Peter 1:5).

#### **10. The Church and Its Mission**

The Church is the body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her Great Commission. Each believer, born of the Spirit, is an integral part of the general assembly and church of the firstborn, which are written in heaven (Ephesians 1:22,23; 2:22; Hebrews 12:23).

Since God's purpose concerning man is to seek and to save that which is lost, to be worshiped by man, and to build a body of believers in the image of His Son, and to demonstrate His love and compassion for all the world, the priority reason for being of the Assemblies of God as part of the Church is (Resolution 3/11):

- a. To be an agency of God for evangelizing the world (Acts 1:8; Matthew 28:19, 20; Mark 16:15,16).
- b. To be a corporate body in which man may worship God (1 Corinthians 12:13).
- c. To be a channel of God's purpose to build a body of saints being perfected in the image of His Son (Ephesians 4:11-16; 1 Corinthians 12:28; 14:12).
- d. To be a people who demonstrate God's love and compassion for all the world (Psalm 112:9; Galatians 2:10; 6:10; James 1:27). (Resolution 3/11)

The Assemblies of God exists expressly to give continuing emphasis to this reason for being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit. This experience:

- a. Enables them to evangelize in the power of the Spirit with accompanying supernatural signs (Mark 16:15-20; Acts 4:29-31; Hebrews 2:3,4).
- b. Adds a necessary dimension to a worshipful relationship with God (1 Corinthians 2:10-16; 1 Corinthians 12-14).
- c. Enables them to respond to the full working of the Holy Spirit in expression of fruit and gifts and ministries as in New Testament times for the edifying of the body of Christ and care for the poor and needy of the world (Galatians 5:22-26; 1 Corinthians 14:12; Ephesians 4:11,12; 1 Corinthians 12:28; Colossians 1:29). (Resolution 3/11)

#### **11. The Ministry**

A divinely called and scripturally ordained ministry has been provided by our Lord for the fourfold purpose of leading the Church in: (1) evangelization of the world (Mark 16:15-20), (2) worship of God (John 4:23, 24), and (3) building a Body of saints being perfected in the image of His Son (Ephesians 4:11,16), and (4) meeting human need with ministries of love and compassion (Psalm 112:9; Galatians 2:10; 6:10; James 1:27). (Resolution 3/11)

#### **12. Divine Healing**

Divine healing is an integral part of the gospel. Deliverance from sickness is provided for in the Atonement, and is the privilege of all believers (Isaiah 53:4,5; Matthew 8:16,17; James 5:14-16).

### **13. The Blessed Hope**

The resurrection of those who have fallen asleep in Christ and their translation together with those who are alive and remain unto the coming of the Lord is the imminent and blessed hope of the Church (1 Thessalonians 4:16,17; Romans 8:23; Titus 2:13; 1 Corinthians 15:51,52).

### **14. The Millennial Reign of Christ**

The second coming of Christ includes the rapture of the saints, which is our blessed hope, followed by the visible return of Christ with His saints to reign on the earth for one thousand years (Zechariah 14:5; Matthew 24:27,30; Revelation 1:7; 19:11-14; 20:1-6). This millennial reign will bring the salvation of national Israel (Ezekiel 37:21,22; Zephaniah 3:19,20; Romans 11:26,27) and the establishment of universal peace (Isaiah 11:6-9; Psalm 72:3-8; Micah 4:3,4).

### **15. The Final Judgment**

There will be a final judgment in which the wicked dead will be raised and judged according to their works. Whosoever is not found written in the Book of Life, together with the devil and his angels, the beast and the false prophet, will be consigned to everlasting punishment in the lake which burneth with fire and brimstone, which is the second death (Matthew 25:46; Mark 9:43-48; Revelation 19:20; 20:11-15; 21:8).

### **16. The New Heavens and the New Earth**

"We, according to His promise, look for new heavens and a new earth, wherein dwelleth righteousness" (2 Peter 3:13; Revelation 21:22).

## **ARTICLE IX. LOCAL ASSEMBLIES**

### **Section 1. Relationships**

The local assembly (church) is recognized as God-ordained (I Corinthians 1:2; I Thessalonians 1:1; Philippians 1:1; Revelation 1:11,20). Groups of believers holding Pentecostal standards and associating themselves in local bodies, accepting their full share of responsibility for maintaining scriptural order in the local body, and having a standard of membership in keeping with scriptural principles shall be recognized as local assemblies and eligible for affiliation with this district council.

The fact that a local assembly is affiliated in the association of this District Council or the General Council shall in no way destroy its rights, or interfere with its sovereignty.

The local assembly shall recognize that this District Council or the General Council has the right to approve scriptural doctrine and conduct, and to disapprove unscriptural doctrine and conduct, and the authority to withdraw its Certificate of Affiliation if deemed necessary.

When in need of counsel or advice, the General Council affiliated assembly may appeal to the district officers for help. It may appeal from a decision by the district officers to the Executive Presbytery of the General Council of the Assemblies of God when there is a question whether or not the assembly has received proper help from the district. ## **Section 3. Planting, Replanting, and/or Multi-site Churches** (Resolution 04/18)

In planting, replanting, or establishing multi-site churches, contact and consultation must first be made with the superintendent and the presbyter of the area affected.

Since our fellowship has given itself to the expansion of the gospel message to the world predominantly through the planting of churches, the healthy expansion of churches is to be encouraged by way of planting, replanting, or establishing multi-site churches. Churches are encouraged to be in consistent contact with the Montana District as to the progression and process of establishing said churches.

## **Section 4.**

Each assembly shall cooperate in the work of this District Council and shall support this district organization.

Local assemblies are expected to have an interest in the missionary enterprise and to plan for regular contributions to its support.

## **ARTICLE XI. DISSOLUTION CLAUSE**

In the event this District Council shall cease to function for the purposes herein set forth, then all property, real or chattel, and all assets remaining after satisfying debts and obligations, shall revert to the parent body, THE GENERAL COUNCIL OF THE ASSEMBLIES OF GOD, a Missouri not-for-profit corporation, with headquarters in Springfield, Missouri. The General Council of the Assemblies of God shall have full authority to sell such property and to use the proceeds derived there from for the extension of the work of the Assemblies of God.

In the event of cessation of this District council, its Board of Trustees (or Directors) shall transfer all properties and any remaining assets, in accordance with the foregoing provisions, within one year after the date of such cessation. If such transfer is not made within the time prescribed above or if the aforesaid General Council shall be unable or unwilling to accept the aforesaid transfer, then disposition thereof shall be made by the court of the county in which the District Council headquarters office is located, provided that in such case proceeds of the dissolution shall be distributed to organizations have purposes nearest the purposes of the Assemblies of God.

## **ARTICLE XII. AMENDMENTS**

Amendments to the Constitution may be made at any regular or special meeting of the District Council, provided the proposed amendment has been submitted first to the district presbytery for consideration, and a copy mailed to each member of the District Council at least thirty days prior to the time of meeting. Any minister of our fellowship who performs a ceremony for a disapproved marriage (indicated above), unless he has been innocently deceived into doing so, may be dismissed from our Fellowship. (Resolution 3/04)

**Section 5. Ministerial Courtesy**

All discourteous conduct is disapproved and all ministers are advised against interfering with pastors in charge of assemblies, whether it be by going in upon their work without consent, or by such communication with members of the assembly as will hurt the influence of the leader. Ministers desiring services of persons from another congregation shall first obtain approval from the pastor involved.

All correspondence which concerns the assembly as a whole shall be addressed to the pastor in charge, and not to individual members. Where there is no pastor, all correspondence concerning the work should be addressed to the officers of the assembly. Any minister who so offends shall be subject to scriptural treatment as an offender by this district council, and such discourtesy shall seriously affect the granting of credentials and may be the basis of their credentials' recall.

Council evangelists and workers coming into a field for the purpose of establishing a new work or conducting evangelistic meetings independently where there is already a council work, must obtain the approval of the district presbytery in consultation with the church or churches affected.

### **Section 6. Discipline** (Resolution 12/11)

Occasions sometimes arise which make it necessary to deal with ministers who have credentials with us who, for some reason, seem to have reached the place where, in the estimation of district leadership, endorsement can no longer be given.

The credentials committee, which has the authority to recommend them to the General Council for credentials also has the right to withdraw its approval and to recommend that the General Council recall the credentials.

#### Part 1. The Nature and Purposes of Discipline

Discipline is an exercise of scriptural authority for which the church is responsible. The aims of discipline are that God may be honored, that the purity and welfare of the ministry may be maintained, and that those under discipline may be brought to repentance and restoration. Discipline is to be administered for the restoration of the minister, while fully providing for the protection of the spiritual welfare of our local assemblies. It is to be redemptive in nature as well as corrective, and is to be exercised as under a dispensation of mercy.

Part 2. The Relationship Between the District and General Council Credential Committees  
The Executive Presbytery of the General Council is the Credentials Committee of The General Council of the Assemblies of God (Constitution, Article X, Sections 4 and 6). It shall have the final authority in matters of doctrine and the personal conduct of all certified, licensed, and ordained ministers. District actions related to the termination of credentials or the remedial discipline of rehabilitation are to be in the form of recommendations to the General Council Credentials Committee. All references to the discipline of ministers within this article of the Bylaws relate solely to certified, licensed, and ordained ministers.

#### Part 3. Causes of Disciplinary Action

Violations of Assemblies of God principles as stated in these Constitution and Bylaws may give cause for disciplinary action by the credentials committees. Among such causes for action shall be:

- a. Moral failure involving sexual misconduct.
- b. Moral failure involving pornography.
- c. Any moral or ethical failure other than sexual misconduct.
- d. General inefficiency in the ministry.
- e. A failure to represent our Pentecostal testimony correctly.
- f. A contentious or non-cooperative spirit.
- g. An assumption of dictatorial authority over an assembly.
- h. An arbitrary rejection of district counsel.
- i. A declared open change in doctrinal views.

- j. Immoral, unethical, or illegal practices related to personal, church, or ministry finances.
- k. A marriage in violation of our stand on marriage and divorce. (See Bylaws, Article IX, B, Section 5, paragraphs d and e.)
- l. Violations of ministerial courtesy. (See Bylaws, Article IX, B, Section 8.)
- m. Ministry without prior approval in a non-Assemblies of God church. (See Bylaws, Article IX, B, Section 9.)
- n. An improper attitude toward those dismissed from the Fellowship. (See Bylaws, Article IX, B, Section 10.)

Notwithstanding the above, when more than 7 years have elapsed from an occurrence that is cause for disciplinary action, a district credentials committee may recommend to the General Council Credentials Committee that no discipline be administered when, in view of all the circumstances, it would appear that such discipline would serve only as punitive in nature rather than rehabilitative. In all such cases, final determination shall be made by the General Council Credentials Committee.

#### Part 4. Right of Initiative

- a. Authority. Occasions sometimes arise which make it necessary to deal with ministers who for some reason seem to have reached the place where, in the opinion of the leaders, endorsement can no longer be given. Credentials committees which have the authority to ordain ministers and to recommend them for credentials also have the right to withdraw their approval and to recommend the recall of credentials.
- b. Prior right of district. The officers of the district in which an alleged offense is reported to have occurred shall be recognized as having the prior right of initiative in matters of discipline.
- c. Responsibility of district of affiliation. If the district in which an alleged offense is reported to have occurred for some reason cannot take action, the General Council Credentials Committee shall refer the matter, together with the facts and supporting instruments, to the district with which the minister is affiliated.
- d. Responsibility of General Council Credentials Committee. In the event a district fails to take action within 90 days after a matter has been referred to it, it shall be the responsibility of the General Council Credentials Committee to see that action is initiated.

#### Part 5. Investigation of Reports or Complaints of Alleged Violations or Confessions of Violations of Assemblies of God Principles

- a. Within the Districts of The General Council of the Assemblies of God. Reports or complaints of alleged violations of Assemblies of God principles (Bylaws, Article X, Section 3) or confessions of such by a minister shall be investigated. The superintendent of the district in which the alleged offense is reported to have occurred, or an appointed representative, shall conduct the investigation to determine their source and validity. It is the responsibility of the district superintendent to safeguard the church, the minister, the district, and the Fellowship. In the event such reports or complaints against a minister are filed with the General Council Credentials Committee, they shall be referred to the district in which the offense occurred for investigation. A copy shall be sent to the district with which the minister is affiliated.
  - (1) Interview with complainants. The persons involved shall be interviewed to ascertain the facts in the case and the reasons underlying the persistence of the reports or complaints.
  - (2) Interview with accused minister. The accused minister shall be given an opportunity to be interviewed to discuss the complaints received in the hope that the matter can be resolved.
  - (3) Signed complaints. In the event the investigation so warrants, a signed complaint shall be filed with the district office by each complainant describing the alleged offense.

(4) Conditions for ministry during investigation. Conditions of continuing ministry may be subject to restriction during the time of investigation at the discretion of the appropriate district officers on the basis of evidence at hand and the nature of the alleged offense. Such conditions are subject to review in 3-month intervals until such investigation has been completed resulting in either clearing the person of the allegations or filing formal charges.

#### Part 6. Preparation and Filing of Charges

If after due investigation it is determined that charges should be made, proper charges shall be prepared and filed in the district office. If no one appears to sign the charges, the district officers making the investigation may file charges based on the evidence in their possession. The person against whom charges have been filed shall be informed in writing by certified mail, at the last address furnished to the district, of the charges made in keeping with Bylaws, Article X, Section 3.

#### Part 7. District Hearing and Discipline

a. District hearing. In the event the reports or complaints cannot be dealt with privately to the satisfaction of all concerned, the superintendent of the district in which the alleged offense is said to have occurred, or the superintendent of the district with which the minister is affiliated, shall arrange for a hearing by the district credentials committee for the accused minister. The minister shall be required to appear at the hearing in the hope the matter can be resolved.

b. Forfeiture of rights of accused. A hearing shall not be considered as final disposition of the case until the accused be present and be allowed all rights and privileges granted herein. However, an accused member may be found guilty of charges and disciplined for failure to appear at the hearing, or if proof is found of willful neglect to take advantage of rights and privileges provided in these Bylaws.

#### c. Discipline

(1) Cause for discipline. A minister who has been found guilty of violating any of the Assemblies of God principles set forth in Bylaws, Article X, Section 3, either by a confession of the minister involved or by deliberation of the district presbytery, shall be subject to disciplinary action.

(2) Determination of discipline. It shall be the responsibility of the credentials committees to determine whether the circumstances of the case merit rehabilitation or dismissal. The credentials committees shall weigh decisions on: (a) the basis of the offense itself, (b) the manner and thoroughness of repentance, (c) the attitude of the offending minister toward the discipline, and (d) the willingness manifested to cooperate.

(3) Administering discipline redemptively. If the district determines that guilt has been established, discipline shall be administered prayerfully and in the fear of God, in accordance with the Scriptures, and as set forth in the Constitution and Bylaws of this ecclesiastical body (Bylaws, Article X, Sections 8 and 9).

d. Surrender of credentials. Disciplined ministers shall be required to surrender their ministerial credentials and their current fellowship card to the district office. In the event of rehabilitation the credentials shall be held in the district office. In the event of dismissal the district shall forward the credentials to the general secretary of The General Council of the Assemblies of God. Refusal to surrender ministerial credentials and current fellowship card may result in placing an additional charge against the minister.

#### Part 8. Rehabilitation

Recognizing that the underlying principle involved in discipline is redemptive, and that man's conscience frequently brings him to judgment and confession, and that justice can sometimes be best served with mercy, an effort should be made to lead the offending minister through a program

of rehabilitation, administered in love and kindness. The following provisions for rehabilitation shall apply.

a. Basis. Those found to have violated any of the Assemblies of God principles (Bylaws, Article X, Section 3) may request a program of rehabilitation as an alternative to dismissal. Rehabilitation is a privilege granted out of mercy and not a right to be expected or demanded. The primary purpose is to restore a person to God, spouse, and family, with the results leading to possible restoration to ministry. Granting such request shall be at the discretion of the district and General Council credentials committees.

b. Procedure and requirements. The following procedure shall be used by the district presbytery in determining the specific requirements for rehabilitation for the individual minister.

(1) Rehabilitation requirements. The specific terms and conditions of the rehabilitation program as recommended by the district credentials committee are to be forwarded to the General Council Credentials Committee for approval. After such approval they shall be given to the minister.

(a) Suspension. The minister shall be considered to be under suspension during the entire period of rehabilitation.

(b) Terms and Conditions

(1) Period of time. The program for rehabilitation shall continue for not less than 1 year except when the violation involves misconduct defined in Bylaws, Article X, Section 3, paragraph a, in which case it shall continue for not less than 2 years.

(2) Authority. The General Presbytery shall be authorized to establish guidelines and policy in regard to terms and conditions of rehabilitation. Such guidelines and policy shall be consistent with provisions of the Bylaws.

(c) Extent of ministry. The extent to which ministry may be permitted, if any, shall be determined by the district presbytery, subject to the approval of the General Council Credentials Committee and compatible with the guidelines and policy established by the General Presbytery.

(d) District membership. The minister shall not be permitted to transfer his or her membership to another district during the period of rehabilitation.

(e) Publication. While the minister's credentials are in a state of suspension, the minister's name shall not be removed from the ministerial roster, nor shall the minister's disciplinary status be published in either the General Council or district council official publications.

(f) Credentials renewal. The minister shall renew his or her credentials annually in the regular manner.

(g) Supervision. In the event his or her ministerial activity has been terminated, the minister must become established in a local church working under the supervision of a pastor or presbyter.

(h) Reports. The minister must submit reports quarterly to the district superintendent.

(i) Ministerial benefits. During the program of rehabilitation the minister shall continue to be eligible for benefits such as the ministers group insurance and Ministers Benefit Association.

(j) Program administration. The approved rehabilitation program shall be administered by the district presbytery.

(2) District progress reports. The credentials committee of the district shall submit to the General Council Credentials Committee on February 1 and August 1 of each calendar year a progress report relative to the rehabilitation of ministers under discipline.

(3) Completion of rehabilitation. When the rehabilitation program has been satisfactorily completed, the suspension shall be lifted and the minister shall be restored to good standing.

(4) Transfer of information. A rehabilitation information form for district use, prepared and distributed by the general secretary, shall be completed by the district in which the rehabilitation

occurred when the rehabilitated minister requests a transfer to a new district. The completed rehabilitation form shall accompany the Certificate of Transfer to another district. A disciplined minister shall, as a condition of entering a rehabilitation program, sign a Limited Disclosure Agreement approved by the General Presbytery allowing the basis of his or her rehabilitation program to be disclosed by the district superintendent or district secretary of a transferring district. The information shall be preserved for future reference in the files of the district in which the rehabilitation occurred and the General Council.

c. Eligibility of previously dismissed. In the event a minister who has been dismissed requests reinstatement, the district shall first obtain permission from the General Council Credentials Committee before submitting an appropriate rehabilitation program as prescribed in Section 8 of this article. The dismissed minister shall not be eligible for reinstatement until the requirements for rehabilitation have been completed. Consideration may also be given to a minister if in the opinion of the credentials committees he or she has satisfactorily fulfilled the remedial requirements of such rehabilitation.

#### Part 9. Referral for Action to the General Council Credentials Committee a. District recommendation

(1) Rehabilitation. When a minister is to be placed in a rehabilitation program in accordance with Section 8 of this article, the district shall forward to the General Council Credentials Committee the specific charges and recommended terms of rehabilitation. The district shall inform the minister involved of its action and, where applicable, the superintendent of the minister's district of affiliation.

(2) Dismissal. When a minister has been found guilty of violating any of the Assemblies of God principles as set forth in Bylaws, Article X, Section 3, and it is determined that rehabilitation is not feasible or fails, a minister's credentials are to be terminated by dismissal. The district shall forward to the General Council Credentials Committee the specific charges and its recommendation for dismissal. The district shall inform the minister involved of its action and, where applicable, the superintendent of the minister's district of affiliation.

(3) Subsequent dismissal. Should evidence come to light following a minister's resignation, or the lapse of his or her credentials, of conduct occurring prior to his or her resignation or lapse of credentials that would constitute grounds for disciplinary action under Article X, Section 3, of these Bylaws, the district at its discretion may request the General Council Credentials Committee to change that minister's status from lapsed or resigned to dismissed. The district shall inform the minister involved of its action and, where applicable, the superintendent of the minister's district of affiliation. All rights of appeal will apply.

#### Part 10. Right of Appeal

a. Filing of appeal to the General Council Credentials Committee. The right of appeal applies to all actions of discipline and termination of credentials other than lapsing or resigning on the initiative of the minister. An accused minister shall have 30 days from the date notification of the General Council Credentials Committee decision was mailed to appeal to the General Council Credentials Committee. The minister shall be apprised officially of this right at the time notification is given to the minister of the decision of the General Council Credentials Committee. The appeal is to be sent to the office of the general superintendent, and should include any new or exculpatory information not previously considered, with copies sent to the superintendent of the minister's district of affiliation and any other districts involved.

b. Consideration of appeal by the General Council Credentials Committee. The General Council Credentials Committee may respond to the appeal in one of the following ways:

(1) Remanding of case to the district. If in the judgment of the General Council Credentials Committee, justice has not been served, the case shall be remanded to the district presbytery for review and reconsideration. The district shall report the results of its review to the General Council Credentials Committee for final disposition.

(2) Denial of appeal.

(a) Forfeiture of right of appeal. No appeal shall be granted by remanding the case to the district presbytery if proof is found of willful neglect on the part of the accused to take advantage of available rights and privileges during the district hearing (see Section 5, 6, & 7 of this Article).

(b) Insufficient grounds. The General Council Credentials Committee shall have the prerogative to determine whether there is sufficient cause to grant an appeal, and remand the case to the district.

c. Right of appeal to the General Presbytery. A disciplined minister whose appeal has been denied by the General Council Credentials Committee may appeal to the General Presbytery. An accused minister shall have 30 days from the date notification of the General Council Credentials Committee decision was mailed to appeal to the General Presbytery. The appeal is to be sent to the office of the general superintendent, and should include any new or exculpatory information not previously considered, with copies sent to the superintendent of the minister's district of affiliation and any other districts involved. The decision of the General Presbytery shall be final.

#### Part 11. Reinstatement of Credentials

a. Authorization. Application for reinstatement may be made through the district council within which territory the applicant resides. The application shall be considered subject to the approval of the district in which the termination was made.

b. Minimal time-lapse for dismissed ministers. The minimal time-lapse required before a minister who has been dismissed is eligible for reinstatement shall be 1 year, except it shall be 2 years for a minister who has been dismissed because of charges as stated in Bylaws, Article X, Section 3, paragraph a. The time-lapse shall be computed from the date of the district presbytery action as it appears on the ministerial status report filed with the General Council Credentials Committee. (See Bylaws, Article VII, Section 10, for other renewals and reinstatements.)

c. Rehabilitation obligatory. When a minister has been dismissed from our Fellowship and applies for reinstatement, he or she shall comply with the procedures for rehabilitation outlined in Section 8, paragraph c, of this Article.

When a minister connected with our fellowship shall have been removed from our rolls or shall have ceased to be connected with us for any cause; and when such minister shall show an attitude of noncooperation with our agreements and principles; for the unity and spiritual welfare of the work that God has committed to us, we recommend:

That all our ministers and laymen refrain from cooperation and association with his work, and inviting said minister to speak or conduct services in their assemblies. Ministers who violate this principle shall be considered as having opened the door for censure or charge which may necessitate the recall of their credentials.

## Article V. CHURCHES

### CLASSIFICATION

#### Section 1.

Churches of the Montana District have been classified as General Council-affiliated, district-affiliated and cooperative churches.

#### Section 2.

General Council-affiliated churches are those which are set in order and affiliated with the Montana Ministry Network (MMN) and the General Council and meet the requirements listed below (in accordance with General Council Constitution Art. XI Sec. 1 and General Council Bylaws Art. VI Sec. 4 and 5):

- a. **Requirements for affiliation.** Churches desiring to be affiliated with The General Council of the Assemblies of God shall meet the following requirements. They shall:

- (1) Accept the tenets of faith of the Assemblies of God;
- (2) Adopt a standard of membership that may be determined either by the local assembly or by agreement with the district council;
- (3) Have a minimum active voting membership of 20 persons who shall accept responsibility to maintain scriptural order in the local body. In cases where there are fewer than 20 voting members, an exception may be granted by the MMN to be a non-dependent assembly under the qualifications of MMN Bylaws Art. V Sec. 3a;
- (4) Adopt Articles of Incorporation, a constitution or bylaws compatible with models recommended by the MMN or the General Council that provide for adequate accountability, amenability, and safeguards so that a pastor and/or governing body cannot directly or indirectly exert dictatorial control over a church;
- (5) Have an adequate number of spiritually qualified members to fill the offices of the church called for in its constitution or bylaws; and
- (6) Make provision for a pastor who is a credentialed minister in good standing with the General Council and a district council; and
- (7) Demonstrate a willingness to contribute to Assemblies of God missions.

**b. Relationship to and support of the General Council and Montana Ministry Network.** A General Council affiliated assembly should cooperate in the work and support the programs of the General Council and the MMN and may send delegates to the General Council and the Montana Network Council.

**c. Right of self-government (sovereign rights).** Each General Council affiliated assembly has the right of self-government under Jesus Christ, its living Head, and shall have the power to choose or call its pastor, elect its official board, and transact all other business pertaining to its life as a local unit. It shall have the right to administer discipline to its members according to the Scriptures and its constitution or bylaws. It shall have the right to acquire and hold title to property, either through trustees or in its corporate name as a self-governing unit. The fact it is affiliated with The General Council of the Assemblies of God shall in no way destroy its rights as above stated or interfere with its sovereignty. The governance model adopted by the local assembly shall conform to the guidelines of General Council Constitution, Art. XI, Sec. 1(a)(4) and the MMN.

**d. Subordinate in matters of doctrine and polity.** A General Council affiliated assembly shall recognize that the MMN and The General Council of the Assemblies of God have the right to approve scriptural doctrine and polity and to disapprove unscriptural doctrine and polity and the authority to withdraw its Certificate of Affiliation if deemed necessary. (See General Bylaws Art. VI, Sec. 4) If a General Council affiliated church is unable to meet any of the criteria for affiliation it shall seek the assistance of the MMN officers for help in maintaining the minimal requirement for General Council affiliation. The MMN may use any means prescribed by its bylaws to assist the church in returning to a position of strength. If the minimal requirements have not been attained, the church shall revert to district affiliated status until the minimal requirements for General Council affiliation have been attained, unless an exception has been granted by the Network in accordance with the provisions of MMN bylaws Art. V Sec. 3.

**e. Organizational assistance.** The services of the MMN are available to assist the General Council affiliated church in dealing with any of its problems, either internal or external, when requested by the pastor or a majority of the official board of the church or a petition signed by 30 percent of the voting members, with the petitioning process and delivery to the MMN taking no more than 30 days in total to complete. When MMN officers receive such requests, they will first verify that scriptural principles of reconciliation, such as those found in Matthew 18:15–17 and 1 Timothy 5:19, have been reasonably attempted by the requesting party in situations involving interpersonal conflict. Officers shall respond by investigating problems and, if necessary, recommending remedial actions to the MMN presbytery. At its discretion, the presbytery may act to bring the church under district supervision and, when necessary, revert it from General Council status to district affiliated status until the MMN considers the problem resolved.

**f. Right of appeal.** When in need of counsel or advice, the General Council affiliated assembly may appeal to the Montana Ministry Network officers for help. It may appeal from a decision by the MMN officers to the Executive Presbytery of The General Council of the Assemblies of God when there is a question whether or not the assembly has received proper help from the

29district. When exceptions are taken to the decisions of the Executive Presbytery, either by the General Council affiliated assembly or by the Network Presbytery, appeal may be made to the General Presbytery.

**g. Preservation of affiliation.** In the event the termination of affiliation with The General Council of the Assemblies of God is under consideration by an affiliated assembly, the pastor or board shall invite the MMN officers to participate in a specially called business meeting where such matters will be discussed and voted upon for the express purpose of giving the MMN officers the opportunity to present the case for continued General Council affiliation. A decision to disaffiliate shall require a two-thirds vote of the membership, or a more restrictive rule prescribed by the governing documents of the church. (Resolution 05/17)

### **Section 3.**

District-affiliated churches are those which are functioning without the twenty voting members required to become General Council-affiliated. These are recognized in two categories:

a. Non-dependent Assemblies:

In order to qualify as a district affiliated non-dependent assembly, a church must:

- (1) Make application to the district presbytery for non-dependent status.
- (2) Have an adult membership (age 18 or over) of no less than twelve.
- (3) Be able to govern itself with district-approved constitution and bylaws.
- (4) Be prepared to incorporate with the state with proper Articles of Incorporation and officers as required for non-profit corporations and for holding of title.
- (5) Maintain financial integrity for pastoral care, operational expenses and obligations to the district or lending institutions.

Should an assembly fail to meet the above criteria for a period of one year or more after being granted non-dependent status it shall be reviewed by the district presbytery and may revert to district-dependent status.

When a non-dependent assembly has had an adult membership (age 18 and over) of at least 20 for a period of one year and meets other qualifying criteria, they shall strongly be urged to become a General Council affiliated church.

b. Dependent Assemblies. (Resolution 4, 09)

(1) Definition of "Dependent Assembly."

All district-affiliated churches which are neither General Council- affiliated nor Non-Dependent District-affiliated shall be considered Dependent Assemblies of the Montana District Council.

Included in this classification shall be all Montana home-missions churches, all Dependent Native American churches, all new church plants which have not yet achieved classification as District Non-Dependent churches, and any Assembly which requests District supervision.

(2) Requirements for Dependent Assemblies:

- (a) Pastoral Appointments. District-Dependent Assemblies shall have a pastor appointed by the Montana District Presbytery. Pastors shall be appointed to the church for a designated period of time, to be determined by the District Presbytery, and shall not be novices, as the responsibilities involved in growing a church will call for a person of some proven pastoral experience.
- (b) Supervisory Board. District-Dependent Assemblies shall function under the oversight of a supervisory board consisting of the appointed presbyter or minister, the pastor, the District Superintendent (ex-officio member) and other members as shall be appointed by the District Presbytery or Executive Presbytery.

The supervisory board shall meet on a regular basis to oversee the development of the Assembly and to assess the church's progress toward Non-Dependent status, including the review of financial reports, the approval of expenditures, matters pertaining to church membership, the consideration of disciplinary concerns, and any other items relative to the life and health of the assembly.

The supervisory board, at its discretion, shall have the authority to temporarily suspend the official membership of the local Assembly and its prerogatives until such a time as the church returns to or achieves Non-Dependent status.

- (c) Constitution and Bylaws. Each Dependent Assembly shall operate under the District-approved Constitution and Bylaws.
- (d) Finances. The finances of all dependent assemblies shall be administered by the fore-mentioned Supervisory Board, which may appoint a qualified person to serve as interim treasurer of the Assembly. This person shall be directly amenable to the Supervisory Board and shall prepare accurate financial reports for all regular and special meetings of that board. He or she shall not be authorized to make financial decisions for the assembly.

The Assembly shall attempt to provide both financial support for its pastor and to cover the basic fiscal operations of the Assembly to the best of its ability.

- (e) Property and Titles. The titles to property and vehicles of all District-Dependent Assemblies shall be held in the name of the Montana District Council of the Assemblies of God until such time as the local assembly is approved for District Non-Dependent church status.
- (f) Annual Presbytery Review. Each District-Dependent Assembly shall have its operations examined annually at the initial meeting of the District Presbytery to evaluate its viability and progress.

#### **Section 4.**

Cooperative: A church which does not have affiliated status, but which enjoys fellowship with the Montana District Council.

### RECOMMENDATIONS

#### **Section 5**

- a. Essential resolutions and district policies pertaining to local assemblies should be read publicly by the pastor at regular business meetings of the church.

- b. Churches seeking pastors should consult with the district superintendent and their presbyter concerning all potential candidates.
- c. Churches should consider their pastor for a term of at least three years.
- d. Churches needing assistance should first call their sectional presbyter. If additional assistance is needed they may call the district superintendent.
- e. Since all ministers are requested to attend all district functions, churches are urged to make provision for the expense of the pastor and spouse in attending such meetings.
- f. Assemblies contemplating a building program where a part of the cost is to be financed by others than members are requested to present their plans to the district presbytery.
- g. All district officials, pastors, associate pastors, board members, and other persons with official titles in our district and churches should not use their official titles in writing to newspapers, and in giving television and radio interview concerning their opinions on controversial issues unless, and if, their district presbyters or church boards should specifically authorize the content of communication. (Resolution 1980)
- h. Assemblies receiving the ministry of district officials and department heads should reimburse the district for expenses incurred.
- i. It is recommended that churches voluntarily contribute one percent (1%) of their general fund revenue in 1978 to the district, and two (2%) of their general fund revenue in 1979 and future years. (Resolution 1978)
- j. Each church is encouraged to subsidize the development of Glacier Bible Camp.

### **Section 6. Doctrines and Practices Disapproved**

In accord with the constitutional prerogatives, the General Council of the Assemblies of God has declared itself pertaining to disapproval of certain matters as follows:

#### 1. Unconditional Security

In view of the Biblical teaching that the security of the believer depends on a living relationship with Christ (John 15:6), in view of the Bible's call to a life of holiness (I Peter 1:16; Hebrews 12:14), in view of the clear teaching that a man may have his part taken out of the Book of Life (Revelation 22:19), and in view of the fact that one who believes for a while can fall away (Luke 8:13), the General Council of the Assemblies of God disapproves of the unconditional security position which holds that it is impossible for a person once saved to be lost.

#### 2. Legalism (Resolution 13/11)

##### a. Matters of conscience.

The Montana District Council strongly affirms that the Scriptures teach a life of holiness without which no man shall see the Lord (Hebrews 12:14). However, since sincere commitment to holy living sometimes results in sharp differences of opinion among believers on debatable matters of personal conscience, we disapprove the practice of pressing these debatable matters of personal conscience upon others (Romans 14:1-4).

##### b. Adding conditions to salvation.

The Montana District Council strongly affirms that salvation is received through repentance toward God and faith in the Lord Jesus Christ (Ephesians 2:8,9). Therefore, we disapprove any teaching or practice that seems to add conditions to salvation (Galatians 3:1-5).

### 3. Eschatological Errors

#### a. The Restitution of All Things

The Assemblies of God understands the teaching of Acts 3:21 to limit the restoration to that of which the prophets have spoken, thus denying the universal redemption theory. We are opposed to all forms of universalism (Matthew 25:46; Revelation 20:10).

#### b. Setting a Date for the Lord's Return

It is unwise to teach that the Lord will come at some specified time, thereby setting a date for His appearing (Mark 13:32, 33; Luke 12:37-40; I Thessalonians 5:2). It is also unwise to give out from the platform, or publish visions of numbers and dates fixing the time of the second coming of the Lord.

#### c. Post-Tribulation Rapture

The General Council of the Assemblies of God has declared itself in the Statement of Fundamental Truths that it holds to the belief in the imminent coming of the Lord as the blessed hope of the Church; and since the teaching that the Church must go through the Tribulation tends to bring confusion and division among the saints, it is recommended that all our ministers teach the imminent coming of Christ, warning all people to be prepared for that coming, which may occur at any time, and not lull their minds into complacency by any teaching that would cause them to feel that specific Tribulation events must occur before the rapture of the saints.

#### d. Amillennialism

The General Council of the Assemblies of God disapproves of the amillennial teaching and its attendant erroneous philosophy which denies the fact of a literal one-thousand years' reign of Christ on the earth, and substitutes for it the theory that this Christian or Church dispensation is the spiritual millennium of which, its proponents say, the Bible writers prophesied.

#### e. Credentials jeopardized if made an issue (Resolution 14/11)

We recommend that those ministers who embrace any of the foregoing eschatological errors refrain from preaching or teaching them. Should they persist in emphasizing these doctrines to the point of making them an issue, their standing in the Fellowship will be seriously affected. (Luke 21:34-36, I Thessalonians 5:9, 10; 2 Thessalonians 1:4-10; Revelation 3:10, 19, 20)

#### f. Membership in Secret Orders

Ours is a last-day message in preparation for the coming of the Lord (Matthew 24:14), leaving us no alternative but whole-hearted devotion to the cause of spreading the gospel (Luke 9: 62); and it is well known that the various secret orders require much valuable time and interest, thus, diverting the servant of the Lord out of the way (Ephesians 5:16)

The nature of such organizations demands secrecy (John 18:20; Acts 26:26) reinforced by religious oaths (Matthew 5:34) and strong attachment by binding obligations to persons who are for the most part unregenerated (2 Corinthians 6:14). The spirit, philosophy, and general influence of such secret orders aim at the improvement of the natural man only (I Corinthians 2:14; Colossians 2:8), thus wrongly channeling by incorrect interpretation important spiritual truths (2 Peter 3:16).

Confidence in these secret orders and their teachings has always tended toward the embracing of a false hope of salvation through good works and improved moral service (Ephesians 2:8, 9).

In consideration of the foregoing, all ministers affiliated with us should refrain from identifying themselves with any of the secret orders which the district council recognizes as essentially of the world, worldly, and we advise any who may have identified themselves with such orders to sever their connections with them (2 Corinthians 6:17). Furthermore, our ministers are requested to use their good influence among our lay ministers to dissuade them from such fraternal affiliations (1 Timothy 4:12; 2 Timothy 2:24-26).

#### 4. Divorce and Remarriage

##### a. Membership

(1) There are now among Christians, people who became entangled in their marriage relations in their former lives of sin and who do not see how these matters can be adjusted. We recommend that these people be received into the membership of local assemblies and that their marriage complications be left in the hands of the Lord (1 Corinthians 7:17, 20, 24).

(2) We recommend that in no case shall persons be accepted into membership who are known to be living in a common-law state of matrimony.

##### b. Remarriage

Low standards on marriage and divorce are very hurtful to individuals, to the family, and to the cause of Christ. Therefore, we discourage divorce by all lawful means and teaching. We positively disapprove of Christians getting divorces for any cause except fornication and adultery (Matthew 19:9). Where these exceptional circumstances exist or when a Christian has been divorced by an unbeliever or prior to conversion, we recommend that the question of remarriage be resolved by the believer as he walks in the light for God's Word (1 Corinthians 7:15, 27, 28). (Resolution 3/04)

##### c. Local Church Leadership

(1) Since the New Testament restricts divorced and remarried believers from the church offices of bishop, or elder, and deacon, we recommend that this standard be upheld by all our assemblies (Titus 1:5-9; 1 Timothy 3:12), except when the divorce occurred prior to conversion (II Corinthians. 5:17) or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever

(I Corinthians 7:10-15). (Resolution 8/11) However, we recommend that all other opportunities for Christian service for which these believers may be qualified be made available to them. (Resolution 3/04)

(2) It is understood that recommendations are not binding, but local assemblies shall maintain the prerogative of setting their own standards (in accordance with provisions of General Council Bylaws Art. XI Sect. 1c.)

##### d. Performing Marriage Ceremonies

(1) We discourage any Assemblies of God minister performing a marriage ceremony for anyone who has been divorced and whose former companion is still living unless his case is included in the exceptional circumstances described in district bylaws Art. V, Sect. 6, 4b: "Remarriage" above. (See also general council bylaws Art. IX B Sect. 5b).

(Resolution 8/11) Any minister of our fellowship who performs a ceremony in a disapproved marriage (indicated above), unless he has been innocently deceived into doing so, may be dismissed from the Fellowship. An Assemblies of God minister is required to counsel applicants for marriage ceremonies with scriptural guidelines for Christian marriage prior to the performing of the ceremony. A minister may not perform ceremonies for persons who, in the minister's opinion, approach marriage without proper forethought, wisdom and sobriety. (Resolution 8/11)

(2) We realize that the remarrying of such persons included in the exceptive circumstances in Article V Sect .6, 4b, could violate the conscience of a minister, and if this should be the case, the minister should not be required to perform such ceremonies. (Resolution 3/06)

(3) No minister shall perform any type of marriage, cohabitation, or covenant ceremony for persons who are of the same sex. Such a ceremony would endorse homosexual practices which are a sin and strictly forbidden in God's Word (Leviticus 18:22; 20:13; Romans 1:26,27; 1 Corinthians 6:9; 1 Timothy 1:9-11). Any minister of our Fellowship who performs a ceremony for these types of disapproved relations, unless innocently deceived into doing so, shall be dismissed from the Fellowship. (Resolution 8/11)

#### e. Ministerial Credentials

We disapprove of any married minister of the Assemblies of God holding credentials if either minister or spouse has a former spouse living, unless the divorce occurred prior to his or her conversion or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever (I Corinthians 7:10-15). or in the case of domestic violence by a spouse to a spouse or child (Psalms 11:5; 146:5-9; Proverbs 6:16-17; Ephesians 4:1-3, 31-32; Ephesians 5). (See also, Article VII, Section 2, paragraph j General Council Bylaws). (Resolution 04/20)

The Executive Presbytery shall have the authority to determine whether the applicant's annulment of a former marriage is consistent with the scriptural position of the Fellowship relating to the granting or holding of ministerial credentials; or, in the case of a divorce or dissolution whether the circumstances would more appropriately be classified as calling for an annulment; or if the divorce occurred prior to conversion. In those cases involving pre-conversion divorce or domestic violence, they shall be decided on an individual basis just as those that deal with annulments are decided. The application for an annulment must be accompanied by clear and satisfactory evidence of an illegal marriage through deception or fraud. Appeals from decisions of the Executive Presbytery may be made to the General Presbytery. (Resolution 04/20)

#### 5. Worldliness

In view of the alarming erosion of national moral standards, we reaffirm our intention of holding up Bible standards against all forms of worldliness. We urge all believers to "Love not the world, neither the things that are in the world...For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world" (1 John 2:15, 16).

In its teaching regarding worldliness, the Scripture warns against: participation in activity which defiles the body or corrupts the mind and spirit; the inordinate love of, or preoccupation with pleasures, position, or possessions, which lead to their misuse; manifestations of extreme

behavior, unbecoming speech, or inappropriate appearance, any fascination or association which lessens one's affection for spiritual things (Luke 21:34, 35; Romans 8:5-8, Romans 12:1, 2; 2 Corinthians 6:14-18; Ephesians 5:11; 1 Timothy 2:8-10, 4:12; 1 John 2:15-17; Titus 2:12; James 4:4)

## 6. Abuses of Stewardship

### a. Tithing

- (1) According to the Scriptures, tithes should be used for the support of the active ministry and for the propagation of the gospel and work of the Lord and not be given to charity or used for other purposes. In tithing, the ministers ought to be examples.
- (2) We recognize the duty of tithing and urge all of our people to pay tithes to God. It is recommended that arrangements satisfactory to the pastor and the church be made by all pastors and churches, so that the pastor may receive regular and adequate support. We disapprove however, of the teaching that all tithes necessarily should belong to the pastor for his or her support.

### b. Solicitation of Funds

- (1) It is considered improper and unethical for ministers and missionaries to solicit funds by letter or otherwise for anything or any reason whatsoever without proper authorization.
- (2) The purpose of this section is not to hinder or discourage legitimate projects but to protect the Fellowship from those who employ methods not in harmony with Assemblies of God principles or policies.

Leaders in local projects shall have unquestioned freedom in local churches or communities. Projects of general interest to the district must have the authorization of the district officary. Projects or institutions of national scope must have authorization of the Executive Presbytery of the General Council of the Assemblies of God.

Promotion of all projects of a missionary character must have the authorization of the Executive Presbytery.

- (1) The obtaining and use of mailing lists for promotional purposes not having the proper authorization or which are not in keeping with policies of the General Council of the Assemblies of God shall be considered improper and unethical, whether it be under the name of a prayer chain beyond a local scope, chain letters, or appeals to the constituency for the support of ventures of strictly local or personal character. All offenders guilty of the practices expressed in the foregoing paragraphs shall be subject to discipline.

### c. Private Ownership of Religious Institutions

The General Council of the Assemblies of God approves the holding of title to all church buildings, schools, or other institutions that are supported by funds solicited for the work of God by properly constituted corporations. It disapproves the holding title to such properties by the ministers of the Assemblies of God, through private ownership, corporation of sole, closed corporation or any other type of ownership where initiative of action or final authority is not vested in a corporation of the whole. In the event a local congregation is not incorporated or set in order by the District Council, title should be vested in properly qualified trustees. Where private ownership exists, a properly incorporated body shall be formed and title to the property shall be transferred to the corporation taking into consideration equity that the title holder may legitimately have.

A disregard of this principle and recommendation shall seriously affect the relationship to the Assemblies of God of members involved in such ownership.

7. Violations of Ministerial Courtesy

All discourteous conduct is disapproved, and all ministers are advised against interfering with pastors in charge of assemblies, whether is be by going in upon their work without consent or by such correspondence with members of the assembly as will hurt the influence of the leader. All correspondence which concerns the whole assembly shall be addressed to the one in charge and not to individual members. Where there is no pastor, letters concerning the work shall be addressed to the officers of the assembly.

Any minister who so offends shall be subject to scriptural discipline as an offender by the district officary or by the Executive Presbytery. Such discourtesy will seriously affect the granting of annual Fellowship certificates, and may be the basis of their recall.

8. Ministry in a Non-Assemblies Church (Resolution 15/11)

Inasmuch as unity is a vital principle for growth and spiritual development our Assemblies of God fellowship, it is essential that we recognize our relationship to each other, and that we practice Christian cooperation in all our pastoral, evangelistic, missionary, and local church work. We recommend, therefore, that our ministers confer with District Council officials before engaging in ministry in any church group or organization not affiliated with the Assemblies of God so as to ascertain whether such ministry might result in confusion or misunderstandings. If the minister does not have district approval, he or she shall be expected to refrain from conducting services for the church. Ministers who violate this principle shall be subject to discipline.

9. An Improper Attitude toward those Removed from the Fellowship (Resolution 16/11)

In order to render effective decisions made in the interest of proper discipline and for the protections of our assemblies, all who hold credentials and local churches holding certificates of affiliation shall refrain from taking any attitude toward offenders that would tend to nullify or set at naught the solemn verdict of those entrusted with this responsibility. Those who fail to support said verdict shall be subject to reprimand or, if persisted in, appropriate discipline.

10. Interdenominational or Ecumenical Relationships (Resolution 17/11)

The General Council of the Assemblies of God encourages ministers or churches to fellowship with other Christians of like precious faith who hold to the inspiration of Scripture, the deity of Christ, the universality of sin, the substitutionary Atonement, the physical resurrection of Jesus Christ from the dead, and His second coming.

The Montana District Council shall not belong to any interdenominational or ecumenical organization that denies the evangelical beliefs stated in the above paragraph, and urges its ministers and churches to avoid entanglement with such interdenominational or ecumenical organizations except as opportunity may arise to support biblical values in the culture or provide opportunity to bear witness to our evangelical and Pentecostal faith and experience.
